Terms and Conditions of CAP Price

This contract allows customer to take advantage of decline in "market" fuel price during the time period he/she is contracted and guarantees that he/she will not pay more than the contracted price. If the "market" were to decline in price, which is determined by the charge price on South Central Grain & Energy's current retail price sheet at the time of delivery, he/she will capitalize on the amount of that price decline.

Definition: "Market" refers to the charge price of South Central Grain & Energy's current retail price sheet at the time of delivery.

Product: CF Roadmaster XL - #2 Diesel Clear - Ruby Fieldmaster - #2 Diesel Dyed - Unleaded Gasoline (circle types)

Terms of Payment: Booking - Pre-paid (circle one)

Booking - Entire balance is due to Seller under its credit policy terms after delivery of product.

Pre-paid - Entire balance is due and payable at time of contract signing.

Prices stated are before fees and taxes, .02 cents clean-up fee will be added to price when applicable.

Additional Terms and Conditions:

Any Federal or State tax rate adjustment higher or lower, freight rate adjustment higher or lower, environmental clean up fees higher or lower or any other add on tax imposed upon tile fuel sold hereunder, the amount of said tax will be added to the price, provided such fee is collectable from South Central Grain & Energy. Default penalty of 5-cents plus any amount by which the contract price exceeds rack price applies if not all contract gallons are delivered and billed by end of contract time period. The contract is valid until the end of the contract time period or the amount of fuel contracted has been delivered and billed, whichever comes first.
